

The Amazing European Eel

Following the success of our Eels in the Classroom Pilot Project last year we were planning to deliver the project in Grantham again this year. Sadly, this has not been possible, so we thought we would share some interesting facts about eels with you to help you learn a little more about these 'eely' amazing creatures 😊

Where you see the green fish  we have added in some **Mini Project** ideas to keep you busy over the coming weeks. You will also notice some **Key Words in orange** – these might be new words for you to learn.

The European Eel (Latin Name: *Anguilla anguilla*)

Parts of an eel

Use the work sheet to help you to draw your very own eel picture – once you've done that check out the eel's lifecycle information on our website – it's incredible!

The Amazing European Eel

How to draw you very own eel - don't forget to label it 😊
